

## Sport Premium Funding

2019-2020

The government is providing additional funding to schools to improve the provision of Physical Education (PE) and Sport in primary schools. The Departments for Education, Health and Culture, Media and Sport provide this funding jointly.

During the academic year of 2019-2020 Burnside Academy will receive a total of £17400. This funding is to be spent on improving the provision of PE and Sport in schools.

At Burnside Academy the Sport Premium funding will be used to:

- Employ a full time sports apprentice to develop extra sporting activities before and after school and to support the PE lead during tournaments and competitions.
- Continue to participate in festivals and sporting competitions across the city as part of the Kepier Academy PE cluster group.
- Purchase a PE scheme and provide CPD for staff to develop their confidence to teach PE at a higher level.
- Carry out a review of PE equipment for a phased replacement programme.
- Purchase an outdoor activity den for the EYFS outdoor area to ensure physical activity can take place daily despite the weather.
- Employ coaches to carry out workshops linked to specialised sporting activities.

All sporting participation and achievements will be celebrated through school assembly and the sporting display board.

As a result of our dedication to physical activity in 2018-2019 we were given the SILVER School Games Mark award for our commitment, engagement and delivery of competitive school sport in 2018-2019. In 2019-2020 our aim is to build on this success.
