

Returning to School Social Situation

Burnside Academy

Over the past few months, I have not been at school. I have been staying at home because of coronavirus. During this time, I have been doing my schoolwork with my parents/ carers. All of my friends from school have also been staying at home. Schools have been shut to keep me and my friends safe from coronavirus.

Doing my schoolwork at home has been very different but now it is time for me to go back to school, see my friends and do my schoolwork with teachers.

Returning to School Social Situation

My teachers and friends will be happy to see me back at school. When I go back, some things will be different. This is to keep me safe. I might find the changes difficult at first but my teacher will be there to help me. Everyone finds change hard. This is OK.

- I will be in a classroom with all of my friends.
- I must keep washing my hands for at least 20 seconds.
- If I am going to sneeze or cough, I must do this into a tissue then put the tissue in the bin and wash my hands.
- I must try to keep a safe distance where possible.
- Break times and lunchtimes will feel a bit different but I can still play in the yard with friends in my group.
- I might not be able to sit and eat my dinner in the hall but I will eat with my class in the classroom.

Going back to school will be fun. I must try to remember that the changes are to keep me safe. My teachers will be proud of me for trying to remember what I need to do to keep safe at school.
