3. Barriers to future attainment (for pupils eligible for PP)					
In-school barriers (<i>issues to be addressed in school, such as poor oral language skills</i>)					
A.	Early Language & Communication development				
B.	Disadvantaged pupils attained lower than non-disadvantaged pupils in Reading, Writing and Maths in all year groups.				
C.	Low emotional and social resilience is impacting on the attainment of disadvantaged pupils.				
External barriers (<i>issues which also require action outside school, such as low attendance rates</i>)					
D.	Attendance rates for disadvantaged pupils impacts on attainment and progress which is reflected in the outcomes for children.				
E.	A proportion of parents and children are identified by school and outside agencies as vulnerable and are exposed to a wide range of risk factors that affect mental health and wellbeing and family cohesion.				
4. Desired outcomes (<i>Desired outcomes and how they will be measured</i>)					Success criteria
A.	In EYFS, improved Communication and Language skills so disadvantaged pupils achieve and attain comparably of disadvantaged pupils, in achieving ELGs.				Children eligible for PP in EYFS make good or better progress in speaking, listening. With a similar number of pupils achieving their ELGs and GLD compared to non-disadvantaged pupils.

<p>B.</p>	<p>Disadvantaged pupils achieve and attain comparably with non-disadvantaged pupils in school and at national and greater depth expectations.</p> <ul style="list-style-type: none"> • Termly assessment information for all year groups to track and identify any disadvantaged child not on track. • Half termly pupil progress meetings will challenge impact of intervention for disadvantaged pupils • On –going monitoring for impact of interventions by class teacher and SLT • Culture of vigilance to identify vulnerable children and any emotional support needed through pastoral system on -going. • Termly challenge from governors on impact of PP intervention 	<p>Disadvantaged pupils (regardless of ability) make good to outstanding progress throughout the school year. Results and progress are consistent across all groups in all year groups. The gap between disadvantaged pupils and non-disadvantaged pupils will narrow as pupils move through the school.</p>
<p>C.</p>	<p>Improved mental wellbeing for disadvantaged pupils. Well-being procedures in school continue to impact on children’s mental health to ensure they feel emotionally secure and have improved resilience and the ability to persevere. (nurture groups, Magic Breakfast, Educational Psychologist, behaviour support)</p>	<p>Observations and teacher feedback will record pupil’s improved resilience and perseverance in lessons. Pupil questionnaire to measure the impact of emotional wellbeing.</p>
<p>D.</p>	<p>Increased attendance rate to 96% or better to be closer to National (8.6% 2018).</p>	<p>Overall attendance to be sustained or improved to be in line with national figures of 96%.</p> <p>Attendance Officer to successfully support PP families resulting in improved attendance.</p>
<p>E.</p>	<p>Improve children’s outcomes through a range of experiences and support (breakfast club, Magic Breakfast, after school clubs, pastoral support and educational visits).</p>	<p>Disadvantaged pupils are supported to enable them to achieve age related expectations by the end of the year. Children have the opportunity to attend subsidised breakfast/after school clubs, external visits and educational visits.</p>

2020-2021

The three headings below enable schools to demonstrate how they are using the Pupil Premium to improve classroom pedagogy, provide targeted support and support whole school strategies

i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review
Children entitled to pupil premium in EYFS (exit 2020) make good or better progress and perform as well as other children in achieving their early learning goal.	Early Language intervention.	Recent data analysis in EYFS shows disadvantaged children performed less well than non-disadvantaged pupils. Additional intervention, which has a focus upon language and vocabulary and is assessed and tracked, improves communication/interaction and increases the ability to access the curriculum.	Regular monitoring progress and attainment of disadvantaged pupils Termly data analysis of this group of children to ensure progress is being maintained and attainment is in line with other groups.	EYFS Lead HT, Deputy Head, TLR's	Weekly assessments within the specific group Termly analysis of data Autumn, Spring and Summer assessment cycles.
Continue to improve attainment of disadvantaged pupils across school and narrow the attainment gap between disadvantaged and non-disadvantaged children.	Additional TA support within EYFS to ensure good or better pupil progress and attainment As a small school on a small budget, x 3.5 Teaching assistants have been secured and employed to support teaching and learning, ensuring disadvantaged pupils	Increased targeted staffing is an effective way to improve attainment and progress, and it is suitable as an approach that we can embed across the school. Outcomes for disadvantaged pupils, in the majority of classes, were lower than non-disadvantaged pupils. Therefore, continues to be a priority this year.	Regular monitoring progress and attainment of disadvantaged pupils. Trust and whole school monitoring of assessment information and data analysis, through the robust and rigorous moderation systems will clearly indicate the impact of this approach	HT, Deputy Head, TLR's	Weekly assessments within the specific group.
