## How you can help...

- Reading daily
- Practising times tables daily
- Support with homework
- Speak to me if you have any queries.

---

---

---

---

---

---

---

## Homework

- Online homework
- Homework will consist of one piece of English work and one piece of Maths work each week.
- Spellings will also be sent home within the sequence of learning.
- All work given as homework will be things we have completed in class and things your child have been successful with at school, therefore they should be able to complete independently.
